Venn Diagram

In this activity you will use a Venn diagram to compare and contrast three of the debaters in this issue's play, *The Great Debaters*.

Directions: Read *The Great Debaters*, then complete the Venn diagram below. In the large part of the circles, list the differences among James Farmer Jr., Henry Lowe, and Samantha Booke. In the overlapping sections, list the characters' similarities. You will notice that with three overlapping circles, you will list not only the similarities all three characters share, but the similarities that only *two* of the characters share.
